

Certificate in Lean Sigma Green Belt

Overview: *This Lean Sigma Green Belt training is designed to develop a professional who is well versed in the Lean Sigma Methodology who leads or supports improvement projects. This Lean Sigma Green Belt class will provide a thorough understanding of all aspects within the phases of D-M-A-I-C. In addition, you will learn how to perform and interpret Six Sigma tools and how to use standard principles of Lean. The Cases used in this class will be covered more in depth, allowing the student to experience the level of detail a Green Belt would support. At this level the student is also encouraged to take a Certification exam to quantify their skills based on an industry exam.*

Certificate Duration: 40 hours

Program Tuition: \$1,800.00

Books: \$45.00

Prerequisites: None. Suggested - Students should be working in Lean Sigma environment for over 2 years.

Certificate Requirements:

2200-2 Lean Sigma Green Belt Champion

2200-2 Lean Sigma Green Belt Champion
